Diversity, Minority, and a Woman-Owned Company

We are proud to be certified by renowned certifying bodies, including NMSDC, WBENC, SBA, State of New York, and State of Pennsylvania. Our WBE, MBE, WOSB, SB, and SDB certifications highlight our commitment to diversity and inclusivity.

Expertise in AI Domains

Our recruiters are experts in the specific needs and complexities of various AI specialties, including machine learning, natural language processing, robotics, and AI research and development.

Advanced Recruitment Technology

Utilizing the best job boards and recruitment AI tools, we stay at the forefront of technology to ensure efficient and effective recruitment.

Tailored Recruitment Approach

We tailor our recruitment strategies to meet the unique requirements of each client, ensuring the right fit not only in terms of skills and experience but also in aligning with corporate culture.

Network of AI Professionals

Through our extensive network, we have access to a diverse pool of candidates, from emerging talents in the field to seasoned experts, ready to contribute to your projects.

Shorter Time To Hire

Ensures increased productivity, cost savings, and competitive advantage for our clients by swiftly filling vacant positions with high-quality talent, enabling them to maintain optimal staffing levels and respond quickly to market changes.

Artificial Intelligence is transforming industries across the globe, creating new opportunities and demands for specialized talent. Whether you are embarking on new AI initiatives or looking to enhance your existing partnership with us, ATD Technology is here to provide the talent and expertise you need from Temp to Perm, Permanent Placement, Contract Staffing and Executive Search.
