

ATD Technology LLC

Talent Acquisition and Staffing Solution

"A People Company"

ATD Technology LLC, established in 2012, is a forward-thinking diversity-focused organization that specializes in delivering comprehensive solutions across Talent Acquisition, Staffing, Recruiting, Contingent Labor, Permanent Placements, and Temp-To-Perm roles.

Our expertise extends to serving a diverse clientele in the Commercial, Public Sector, and Federal government within the United States, ensuring the attainment of financial, technical, and career objectives for all stakeholders involved.

Diversity, Minority, and a Woman-Owned Company

We are proud to be certified by renowned certifying bodies, including NMSDC, WBENC, SBA, State of New York, and State of Pennsylvania. Our WBE, MBE, WOSB, SB, and SDB certifications highlight our commitment to diversity and inclusivity.

Cost-Effective

Our strategic recruitment approach reduces time-to-hire and operational costs by 60-80%. As a 100% virtual organization, we operate with significantly reduced costs, allowing us to pass on savings to our clients.

Tech Savvy

Leveraging AI and utilizing the best job boards and recruitment tools, we stay at the forefront of technology to ensure efficient and effective recruitment.

Engagement

We proactively work with a sense of purpose and deep commitment to achieving the goals of our applicants and clients.

Solutions Driven

Collaborating closely with our clients, we develop strategic approaches aligned with their overall objectives.

Our People

Our recruiters are subject matter experts in their respective fields, enabling us to quickly adapt and meet the specific needs of our clients.
